(772) 589-2779 o sebastianyouthsharks@gmail.com

2016

Dear Local Business Owner,

The Sebastian Sharks Youth Football and Cheerleading Association is a nonprofit organization whose primary objective is the development of young athletes and the cultivation of aspiring leadership and sportsmanship within the Sebastian area. Many of our youth begin with us at age 4 and stay with us through age 15. We strive to prepare our young athletes for today's competitive sports programs and develop our community's future leaders. We believe that our efforts and programs are an investment in our children, our families, and our future.

As a volunteer based organization for the youth, we rely on the support of our community to help defray the league expenses for everything from football equipment to cheerleading uniforms. While every child who participates in our program is required to pay a registration fee each season, we strive to keep that cost to a minimum so the families in our community can afford to allow their children to participate.

Over the last few years, we have been home to playoff seeded football teams and championship cheerleading squads. We also host a Spring football season and offseason training camps, making us a year round organization. We are convinced that all we do has a positive effect on our community and our way of life. We ask that you consider supporting our programs so that our players and cheerleaders can continue to succeed.

Thank you in advance for your consideration and we look forward to your sponsorship. We are a 501(c)(3) organization and will provide you with that number upon receipt of your contribution.

Please do not hesitate to contact us if you have any questions regarding our program.

Amy Ford
President, SSYFCA
