

Sebastian Sharks Youth Football & Cheerleading Association, Inc

**** Weather Policy ****

If there is lightning within 6 miles of the SSYFCA field, an announcement will be made for all athletes, parents and/or spectators to clear the fields immediately. At that time, all athletes, parents and/or spectators must leave the field, and go to their cars or one of the buildings. The SSYFCA does not assume responsibility for any athlete, parent and/or spectator once the announcement to leave the field has been made. All athletes, parents and/or spectators shall remain off the field until the all clear is given. The all clear will be given 20 - 30 minutes after the closest lightning strike, depending on the direction of the storm.
